**PIXEL FRACTIONAL RESURFACING *PLUS*
A 4 PIECE SKIN MEDICA POST PROCEDURE KIT**

- **REDUCE SUN DAMAGE**
- **RETEXTURIZE**
- **SMOOTH FINE LINES & WRINKLES**

A revolutionary skin treatment to reverse the signs of aging, counteract sun damage and smooth acne scars. This fractional ablative laser provides the results of older technologies with fewer side effects and less down time. While results are noticeable after a single treatment, we may recommend a series of treatments to reach your desired goal.

NOW ONLY \$480.00
A Savings of \$119.00

This clinically proven Post-procedure kit has been specifically formulated to optimize results from deep chemical peels, CO2 and other laser resurfacing treatments. This kit helps your skin throughout the healing process and compliments the results of these procedures.
